Why **TCIP** is Different?

Not just training. A complete **career transformation** experience.

Traditional Learning

- ✗ Theory-driven classes
- ✗ Limited practical exposure
- ✗ No real-world projects
- ✗ No industry workflow
- ✗ No communication training
- ✗ No interview preparation
- ✗ Limited mentorship
- ✗ Unstructured learning path

VS

TCIP Experience

- ✓ Practical, **hands-on** learning
- ✓ Real-world **business projects**
- ✓ Work like a **data professional**
- ✓ Industry **workflow** exposure
- ✓ **Communication & soft skills** training
- ✓ **Interview preparation** workshops
- ✓ **Mentorship & career** guidance
- ✓ Structured **12-week roadmap**

Program Culture

Attendance Mandatory

Your commitment is your transformation.

Structured Weekly Tasks

Clear tasks. Regular reviews. Real progress.

Practical Deliverables

Build. Apply. Deliver like a professional.

Mentorship Guided

Learn from experts. Grow with guidance.

Real Working Environment Simulation

Experience the industry before you step in.

Discipline today. **Career ready** tomorrow.
